

## \$3,000 BRIZE TO PLACE BOMB IN POWDER MILL?

Workman in du Pont Factory says Stranger Made Offer at a Movie Show.

PATRICKSON, N. J., April 28.—Frank Piracci, who used to live at No. 55 Jersey Street, this city, but is now employed and lives at the du Pont powder works at Haskell, reported to the police at Headquarters here last night that he had been offered \$3,000 to carry a bomb into the plant. Piracci was much excited. The police are in doubt as to whether the offer was made as a joke or was seriously meant. Detectives Eyles and Pirolo were detailed on the case.

Piracci said he went last evening to a moving picture show. A well dressed man sitting next to him asked if he worked in the powder mills, and when he replied in the affirmative he was told he would be paid \$3,000 if he would carry a bomb into the works in his dinner pail. He was to leave the pail in its usual place and absent himself from its vicinity.
